The Board for Geologists and Geophysicists (Board) issued a citation and fine of \$2,500.00 to Glenn Stillman for violation of section 7872(a) (Bus. & Prof. Code §7872(a), practice of geology without legal authority) of the Business and Professions Code (Geologist and Geophysicist Act). According to Board records, Glenn Stillman was at all times relevant not licensed by the Board as a Registered Geologist.

The citation was issued to Glenn Stillman for unlicensed practice of environmental geology for signing a report making environmental geologic interpretations. Glenn Stillman signed a report entitled "Volume I Technical Evaluation Unauthorized Release Case No. 9UT4066", dated March 26, 2002, submitted to the San Diego California Regional Water Quality Control Board (SDRWQCB) received by the SDRWQCB on March 29, 2002.

In accordance with section 125.9(d) of the Business and Professions Code which specifies that payment of the fine does not constitute admission of the violation charged and represents satisfactory resolution of the matter, Glenn Stillman agreed to pay the fine and the case was closed on September 17, 2004.
